

## **AIROLINUXv01 README**

We recommend using the following third party card and socket services:  
**pcmcia-cs-3.1.21.tar.gz** which can be found at:

[http://sourceforge.net/project/showfiles.php?group\\_id=2405](http://sourceforge.net/project/showfiles.php?group_id=2405)

Customer support for this can be found at:

[http://sourceforge.net/forum/?group\\_id=2405](http://sourceforge.net/forum/?group_id=2405)
